

Where IT all begins

InterNational Committee for  
Information Technology Standards

## INCITS Achievement Awards Recipients

**The INCITS Awards Program** began in 1992 to provide an opportunity for the INCITS community to acknowledge and recognize those participants that have provided technical expertise and exhibited effective committee management. INCITS recognizes the significant achievements and dedication of the technical experts to the standards development activities nationally and internationally. We congratulate the recipients for their continued dedication and leadership.

---
